

WESTVIEW HIGH SCHOOL LACROSSE

Westview High School Lacrosse Club is preparing for another exciting year for both our boys and girls programs. We are expecting higher participation from our High School program, and with growth comes expenses. Since we are a club sport we rely on our own fundraising efforts to continue to support the program with equipment, more coaching staff, uniforms, fields, etc. We value our community partners and hope that you may consider sponsoring our program for the 2025 season.

We understand the importance of community and hope that you will find a tax deductible advertising/sponsorship below that will work for your company. We appreciate your support and thank you in advance for your donations!
